Before school started this fall, the men of Upsilon Xi gathered at Lake Ocoee for a weekend retreat. President Bill Winters led the members in discussions on goals and projects for the ensuing year's activities.

The group provided a varied program of activities for the benefit of the entire campus. Sadie Hawkins, a girl-chase-boy event, captured campus interest for the fifth consecutive year. Another outstanding event was the Musical Pomposity, a spectacular array of musical performances. Each year the proceeds from this function are donated to a worthy mission project.

Miss Dreama Ferrell was honored as the Sweetheart of Upsilon Xi. The men chose Miss Sonia Lane as their Dream Girl to represent them in the Parade of Favorites.
